Highlights of the tourney:

We had 5 players that had never played in Sheridan including two new players from Billings - We welcome all to play and look forward to the return of some of our friends in 2021. Handball is always in the new player recruitment mode.

16 Tournament singles games went into Tie Breaker - lots of serious handball.

From our records this was the 44th Tournament - it started in 1976 with Homer Scott Jr and Willard Cook sponsoring. I will have to check with Tom Morris to make sure. We are very grateful for the support.

We thank Brian Hamilton, EJ Panetta, Stephanie Penrose and the YMCA for all the work and preparation for the tourney and supporting materials. We look forward to Billings the Montana Singles in April. Please fill out the application on the Montana Handball Web site and mail early.
